Print Management

Our client, Spectrum Print Management Ltd., was established in 1990 and has experienced considerable growth since then. The company provides print management, logistics and mailing services and operates from a state-of-the-art facility based in Citywest Business Campus. As part of that growth, a high-calibre individual is now required to fill the following role:

■ Head of Operations

Reporting to the Managing Director, the successful candidate will be responsible for the overall operational activities of the plant. He or she will have superior leadership and people management abilities, be "hands-on" and able to demonstrate top customer relationship management, project planning and communication skills. As part of the company's continued strategy of development, a key element of the job will be to spearhead improvement in systems and processes. The successful candidate will be expected to play a significant role in the future development of the company.

This is a demanding and exciting job and needs an outstanding professional with a strong academic background, commercial awareness, plenty of energy and a proven track record in operational management. An attractive remuneration package is on offer.

Those interested should e-mail career details to:
